**STIPULATION**

IT IS HEREBY STIPULATED by the parties, through undersigned counsel, that:

1. The court on August 11, 2016, with all parties present and represented by counsel, set a Sentencing date for December 1, 2016 at 1:30 p.m.
2. The court also, on August 11, 2016, granted defense counsel's request that defendant be examined by a neuropsychologist as part of preparation for the sentencing hearing.

// //

- 1 3. The court, pursuant to Stipulation and at the request of the Defendant, reset the date for  
2 Imposition of Judgment to January 5, 2016.
- 3 4. The parties now stipulate and agree that the matter should be continued for Imposition of  
4 Judgment to March 9, 2017 at 1:30P.M. The reason for this request is that the  
5 neuropsychologist who has done the testing needs the additional time to review the test  
6 results and the voluminous medical records of the defendant to prepare the evaluation  
7 and report. This date is agreeable with the United States Probation Office.
